#### MARY HOWITT'S NEW WORK. THE NEIGHBORS. A TALE OF EVERY DAY LIFE, by Frederika Bre

mer, translated from the Swedish, by Mary Howitt, WILL BE PUBLISHED on WEDNESDAY, Nov. 30, in a DOUBLE EXTRA NEW WORLD.

Mary Howitt i- known more favorably to American rea. ders than almost any other writer of her sex. Her works have always been immediately republished here, and read with great avidity. The novel with the above title is a translation, by her, from the Swedish, and is a tale of domesticlife, of deep and pervading interest, The scenes, incidents, manners and customs, are entirely new, and they are depicted with wonderful skill and force. The story i one which cannot fail to improve and soften the heart. It is peculiarly fitted for pure-minded and scrupulous persons, who generally object to the kind of intellectual aliment supplied by works of romance. We therefore hesitate not to recommend it warmly to the lovers of good morals. 17 Single copies 18% cents; to agents, \$12 per bundred

D' What is Man, that thou art mindful of him? - This is the language of inspiration, equally applicable to man in his physical as well as moral state, and exhibits in concise words the humility that should ever ac company the consciousness of man's inability to help himself while laboring under the innumerable mental and bod lly evis to which his nature is exposed. Health in its full

and fresh enjoyment is sought after with a cupidity commensurate with its necessities; and the question is what can improve the constitutional and physical condition of man-How many have deceived the public by fictitious pretensions, have acquired fortunes by deceptions, and ruined thousands by a flagitious course of absolute fraud upon men's credibility! DR RUSH'S INFALLIBLE HEALTH PILLS Come authenticated by the practical experience of their immertal author, by the testimony of many a living monu

ment to their efficacy, by the universal consent of the dys peptic, the rheumatic, the consumptive, the debilitated, in all sexes, ages and sizes. Where is the constitution that has not been renovated by this bequest to fallen nature? and in what case has the vital spark, glimmering between hope and desperation, not been renovated? They are the legacy of the immortal name whose signature alone would be their uirtue, did not the experience of thousands testify to their efficacy by practical idestration. From Bicknell's (Philadelphia) Reporter of to-day.

Our banks continue to discount all good short paper.—
Money out of doors ranges from 6 to 9 per cent, per annum.
Specie is abundant. The circulation in Philadelphia consists whelly of specie and the notes of specie paying banks of the ciry and neighborhood. Good country relief notes about the same, that is to say at a discount of from 11 to 12 per cent. In short there has been no considerable change in our money market for the last five months. We have a run more that Governor Porter will recommend to the Legislature the issue by the banks of small notes redeemable in specie, and as a substitute for the present relief notes. The February interest on the State Debt will, we fear, not be paid, as the funds that may be in the Treasury at that time will be absorbed in the payment of the domestic creditors, to whom an instalment, if we remember aright, will then

At a numerous meeting of the Stockholders of the Duxbury Bank, (Mass.) on Monday last, it was unanimously voted to wind up its affairs, and a committee was chosen to carry the vote into effect. A decree of forfeiture of the charter of the Consolidated

Markets-Carefully reported for The Tribune. TUESDAY, Nov. 29. ASHES-There has been rather more sloing to-day in

his article, and Pots are pretty firm at \$5 371. We know of none to be had less. The demand is moderate. For Pearls there is only one order of any consequence in market. Holders are steady at \$5 874. The sales to-day are about 130 bbls Pots, and 100 bbls Pearls. There are no new bills out to-day, and the receipts are only about 40 bbls. COTTON-The sales to-day have been light, but ther are several considerable lots under negotiation for export Holders are anxious to sell at current rates, and consequen ly the market is not yet firm. We quote fair Upland 74 a 71; fair New-Orleans and Mobile 8. There are now very ew lots that will bring 84.

FLOUR-Holders are firm to-day at \$5 00 for Genesee and \$4 874 a 500 for Ohio and Michigan, and are enabled to obtain it for small lots, from those who are in immediate want of supplies. We heard of sales of some 1000 or 1500 bbls at that rate, some of it out of store. Some of the large receivers will not sell any large quantity at \$500, and probably if bayers should come into market freely, which they do not do, the price would again advance. Three or four aundred bbis Troy sold out of store at \$5 00. The receipts are quite limited. In New-Orleans we hear of no sales, but for a parcel of 2000 bbls to arrive, \$4 75 was offered and rejused yesterday. Southern is more active since Western has gone above it in price. Georgetown is to-day held at \$4 874, and Brandy wine at 5 00, with sales of 30e bbls of the We notice sales about 900 bbls Baltimore City and County, and Petersburg, at \$4 75, for shipment; Richmond City is nominally \$5.75 a 6 (0. The receipts of Rye Flour continue small, and 150 bbls sold, out of store, at \$3 25 .-Meal is extremely dall at \$2 624 a 2 69 for Jersey; Brandywine \$2.75 a 2.811; bhds \$12.75 a 13.25. At New-Orlean 19th, the rate for Flour was \$3.75, holders inclined to demand more. The stock was light but large supplies were expected. Buckwheat \$2 75 a S 00; prime \$3 25. The N lished. Price 64 cents a number. Orleans Ree says: In the article of "buck-wheat cakes, N-w-Orleans is getting to be completely Yankee. One finds them in almost every family in the winter, and the Creeles, who so seldom use any thing peculiar to the North, hav fallen into the habit and desire to " have them hot from the griddle." The consequent importation of buck-wheat Flour has come to be very great-ten kegs to one being now in troduced compared with the import two years ago.

GRAIN-There were several samples of Wheat in market'and 95c was offered but we believe no sales were effected. At New, Orleans, good lots would readily command 58 a 60c per bushel of 60 lbs. Corn is not active. We notice sale-2000 bushels new North River at 44, measure; 1200 old do at 54, measure; 1000 do at 53, weight; and 1000 do Virgini at 47, measure. The lot of Barley noticed yesterday, 1600 busheis, sold to a city brewer at 50c. The market, we believe, is now clear. Rye is held firmly by most bolders at 70c, but distillers are only offering 60 a 621. A sale for the East of 1000 bushels, in the slip, was made at about 64c .-There is considerable offering. Oats are no plenty and firm A sale of 10,000 bushels Canal was made to-day at 50c; and there are few good to be bad less. A cargo of Southern is offering. An arrival at Charles ton from Havana, brings the following account: "There is now but one opinion as regards the coming Sugar crop it will be very short, no doubt one third, or 250,000 boxe this side of the Island; many estimate one half. This fact, with low prices, gives miserable prospects to our planters. LEAD-We notice sales of one or two thousand Pigs at a decline on previous sales. IT Orlando Fish, Fashionable Hatter, 157 Broad way, would inform the gentlemen of New-York that his Fall and Winter style of Hats is now ready for their inspection and critical judgement. Claiming the distinction of having been the first to project and abide by a strictly AMERICAN style of Hats, instead of servilely copying the Fashions of Europe, which are often unsuited to our climate and manners, he rejoices to perceive that others have seen fit to follow his lead, and that now the following of European Fashions in Hats is almost entirely abandoned by

the leading manufacturers. He offers a Winter style of Gentlemen's Nutria Hats at \$3 50, and warrants them equal in material, finish, fashion and durability to any Hat sold as low as \$4 in the city. But he wishes it distinctly understood that his best Hats are not sold at this price, but at \$4 50. These he recommends as equal to any hat sold in New-York at \$5 or under, and challenges for them a comparison with any other. Gentlemen visiting our city are respectfully invited to call and examine his new stock of Winter hats and judge of their quality. He is confident that, whether the cheapest or

the best Hat is desired, the inquirer will here be satisfied Try him. (s20tf) O. FISH, 137 Broadway.
